

Theatre of Modern Design will demonstrate original ideas of designers, architects and decorators incarnated in interior and décor objects. These objects combine innovations and traditions, unusual design and practicality.

At the gallery of the Theatre of Modern Design there will be the possibility to see both creative works of famous architects and designers and young talented ones. It will discover new names and form traditions, setting the trends in modern interior creation art.

Venue of the Design Living Tendency exhibition: KyivExpoPlaza exhibition center (2B, Saliutna Str., Kyiv, Ukraine).
