and others. The subject of the meeting is “Evolution of the Public Institutions and Retail: Innovative Business-Concepts and Design Solutions”.

Autumn exhibition season will be opened this time by the meeting of Ukrainian designers and architects with their international colleagues from Milan university - **Politecnico di Milano** (Italy)

Among them are

**Alessandro Mendini, Carlo Amadori, Luca Scacchetti, Valeria Iannilli**

and others. The subject of the meeting is “Evolution of the Public Institutions and Retail: Innovative Business-Concepts and Design Solutions”.

Ukrainian professionals will have an opportunity to meet with world-famous architects and designers, to learn how interior influences the business of the customer, will master completely new approach to interior creation, which forms unique interior atmosphere. This principle of the design work will be demonstrated on examples while visiting the following establishments: **Innvilla Roialto, Hotel Bosocolo, Callegaro** etc. The meeting will become an effective platform for the presentation of the talented Ukrainian designers and architects in

front of international society of the world design trend setters, which is a unique opportunity for the specialists to get involved in the creation of the project of the international level. It will also bring new tendencies into the work of Ukrainian specialists, who will represent their ideas at the Theatre of Modern Design

during the

**Design Living Tendency**

exhibition.

**Kyiv International Contract Fair, Ltd.** is the organizer of the specialized exhibitions such as **Design Living Tendency**

and

[Kyiv International Furniture Forum \(KIFF\)](#)

will promote communication between Ukrainian specialists and trend setters of world design and furniture industries. It will have positive effect on development of their relations with customers not only from Ukraine but also from abroad.

Reminder: the **Design Living Tendency** exhibition will be held on October, 5-8 in Kyiv, Ukraine.
